Dear apprentices, we have concluded the course.
Thank you very much for participating in the training process and for trusting in the most beloved institution for all Colombians to update your skills.
* I make a recommendation, although at the end of the process the system sends you a message that refers to the fact that the certificate can be downloaded in five days, it is only possible to obtain it after 30 business days.
* Next, I indicate the steps to download the certificate: Enter the page http://oferta.senasofiaplus.edu.co/sofia-oferta/, click on the "Certificates" title, define the type of document, type your number of document, click on consult, click on the "Consult Certificates" button. You can also see a video here
* Consequently, I quote an important message for you according to the SENA virtual training guidelines: "Los invitamos a continuar su formación a través de otros programas virtuales que puedan ser de su interés, los cuales podrá consultar a través del siguiente enlace:
