My friend Luciano's dog is very friendly, always wagging his tail when I pet him. But her aunt is very bad with me, she does not let me get close to the dog and sometimes she scolds me because I go to Luciano's house to play.
I get very angry and I want to scream at him but my mom is very intelligent and always tells me that I must control my impulses. Emotions are strong and sometimes it is not possible to control them, but it is necessary to try.
My dad has a very large car and sometimes he takes us for a walk with my friends and me. He buys us rich ice creams and takes us to the movies. My dad is very good to me.
Luciano's mom is not like her aunt.
