The screenshot displays a Google Meet interface within a web browser. The browser's address bar shows the URL `meet.google.com/ztq-bzqh-fev`. The top of the browser window includes several open tabs: WhatsApp, Correo: Fernando Leon Lopez To..., AUTOREPORTE DE CONDICIONE..., and Meet - ztq-bzqh-fev. Below the address bar, a row of application icons is visible, including Aplicaciones, Gmail, YouTube, Maps, Registro de Asisten..., and Visitas a Consultora....

The main area of the screen is occupied by the Google Meet interface, which features a grid of participant tiles. The tiles are arranged in two rows. The top row contains five tiles: JUAN FELIPE CHAMORRO HURT..., MARIA DEL MAR ILLERA CAJIAO (represented by an orange circle with a white 'M'), LEIDY JOHANNA GARCIA HINC..., Claudia Ximena Villegas Ramirez (highlighted with a blue border and represented by a circular profile picture), and TRINIDAD PAVA GALINDO (represented by an orange circle with a white 'T'). The bottom row contains four tiles: Javier Jesús Maldonado Ayala (represented by a circular profile picture), alfredo vargas (represented by a video feed), 4 más (represented by two small circular profile pictures), and Tú (represented by a circular profile picture).

At the bottom of the Meet interface, there is a control bar. It includes a button labeled 'Activar micrófono (Ctrl + D)' and a series of icons for video, chat, and other functions. The bottom of the browser window shows the Windows taskbar with a search bar containing the text 'Escribe aquí para buscar', several application icons, and system information including the temperature (23°C), weather (Parc. soleado), and the date and time (8:13 a. m. 7/07/2021).
