Check out the use of the capital letter. The information is correct but do not forget the right use of punctuation, it would help to have a comprehensible text. good

My ideal home is near the beach. It should have a large entrance to the living room with a large TV, at the bottom a large swimming pool with a large master bedroom. A nice big bathroom. My ideal home should have a nice playroom for my nephew and a patio for my pets since I have five dogs. I want a kitchen where I can make delicious desserts.
