SEMANA DE LOS IDIOMAS
Noviembre 1 - 5 de 2021

Tema: *Interculturalidad*
Modalidad: Virtual

ACTIVITIES

1. **Stereotypes and cultural shock**: *Julian - Viviana*:
   The intention of this activity is to let apprentices know aspects related to the differences existing among some of the worldwide cultures, considering verbal and non-verbal communication. *For starters*, students will be explained the meaning of stereotypes through video exemplifications, short definitions and then, making consciousness focused on not judging what is different to their customs and culture.

   Students will be asked about some examples of what Colombian people ought and ought not to do when they go abroad, so that later they could receive the information from videos and images. Later, they use this knowledge in a game by applying one of the virtual tools generally utilized in English training courses. The maximum number of students allowed to participate
   are: 30.
   Length of activity: 1 hour
   Time: **Wednesday, november 3rd - 8am**

2. **French activity "Apprenons à nous présenter en français"**:
   Julián - Viviana: The purpose of this activity is to interact with a different language. Students will be preparing a dialogue with a partner. This dialogue will count with a total of five (5) questions in french. Then the students will present the dialogue in front of the teacher, their classmates and the judges, therefore the judges will choose three couples as the winners of the activity.

   Students of *all levels* can participate in this activity. The maximum number of students allowed to participate are: 20.

Length of activity: 1 hour
Time: **Tuesday, november 2nd - 2pm to 3/3.30pm**

meet.google.com/bei-kgrd-qfo

3. **Cooking time** (recipes) - *Jasmin Panesso*

Objectives:
To enhance English language & cooking skills through hands-on experience.
Description: Ss are to follow cooking instructions in order to prepare a healthy meal at home (healthy burritos). They will get informed in advance about the ingredients they will need to prepare the healthy meal.

The main objective is to immerse students into an authentic cooking experience and practical language use. This activity will also allow students to open a cross-cultural awareness of food & meals and share their favourites and cooking experience.

Ingredients:
Tortillas.
(1) Chicken breast.
(1)Roman lettuce.
½ Pound of cherry tomatoes or regular tomatoes.
(1) avocado.
(1 lemon.
(1 bag) of mayonnaise.
(3) garlic cloves.
salt.

Length of time:1 hour
Date: Wednesday, November 1st from 11:00 to 12:00 pm.

4. **Karaoke** (explanation) : *Jaime - Alex*
   Participants can show their singing talent by playing their favorite song online and reading the lyrics. Any language is allowed and apprentices can select the song they will sing.

5. **Talent show** (explanation) : *Jaime - Alex*
   _Apprentices will show their talent in any expertise area by showing a short clip or live performance to participate in a contest. When all talents are shown there will be a poll where the participants of the meeting will vote their preferred talent. The person with the most votes will be the winner.

6. **Spelling**: *Jaime - Alex*
   The competition will be based on basic vocabulary for elementary apprentices. There will be a selection round where apprentices will spell a word to classify to the next round. The rounds keep on going until one of them makes a mistake and so on until there is a winner. Before the competition there will be a list of vocabulary for learners to practice beforehand but the words to spell will be randomly assigned. They must turn on Cameras and they must be advised the activity is with Camera on, this will way we can guarantee transparency. Each instructor assigns a reward for the participants of the spelling bee. Total of participants allowed is: 10

7. **Reading out loud: tales of cultures** (explanation) - *Alex Gonzalez*

Objective: To train on listening and pronunciation by example the teacher will bring a couple of stories related to “Inter-culturality”, reading them outloud and the apprentices will receive other stories to open their

microphones and try to read with the inflections and pitch according to the moment of the story. Length: 1 hour and a half.
Tuesday, November 2nd at 8 am.

8. **Taekwondo class** *Jasmin Panesso*
   Objective: to develop cultural & ethnic understanding and personal growth.
   Students are to improve on their healthy habits through physical exercise and conditioning. Additionally, it will foster cultural and ethnic understandings related to East Asian cultures and facilitate social interactions with other people, which contributes to personal growth. Students will be immersed in a taekwondo class for beginners, in which they will learn four useful skills for basic taekwondo: self-defense,self-confidence, concentration, and self-discipline.

   * A taekwondo instructor will be invited.
   Length of time:1 hour

   Date: Wednesday, November 1st from 3:00 to 4:00 pm

9. **Culture shock Conversatory** (explanation) - *Juan Sebastian Urueña*

10. **Foreign Guests** (Cultural aspects) **-** *Angélica Erazo*: Sharing how they have experienced colombian culture, taking into account different aspects such as food, idioms, music, slangs, talking about the cities they have visited and comparing what mentioned with the place they come from. The objective is for students to practice conversational skills by exchanging the information mentioned as well as learning new words and why not teaching new words and sharing experiences to our foreign guests too.

11. **Movie Time** (listening and writing) - *Alejandro Quiceno* : students will be able to work on their listening and writing skills. They will be able to listen to different famous phrases in movies so they will have to recognize the movie and to choose the right piece of the script.

DATE: friday 5-6pm

12. **Challenges Competition** - *Edgar Mauricio Barragán* (Grammar, listening and reading): Students will have a space to solve some challenges that involve individual or group competitions. They will have points in each activity.
