QUESTIONS

First question: Do you come from a small or large family?

I come from a relatively small family. I have two sisters, though I have only one uncle and no aunts. I have zero cousins!

Second question: What did you do last weekend / last holiday?

For my last holiday, I went to Riohacha in La Guajira. It's a small town so we spent most of our time on the boardwalk or in the sea. We also took a few daytrips to areas nearby.

Third question: What is the most interesting book you have read recently - or film you have seen?

The most interesting film I've seen recently was a documentary called "The Rescue." It's about a group of amateur cave divers, mostly from England, who rescued a Thai football team trapped in a flooded cave. The background of the rescuers was interesting because the US Air Force pararescue officers and Thai SEALS were not able to perform the rescues, but mid-50s contractors from England were.

Fourth question: What would be your ideal holiday?
