# Notificación en un Solo Sivigila con Varios Accesos directos a el

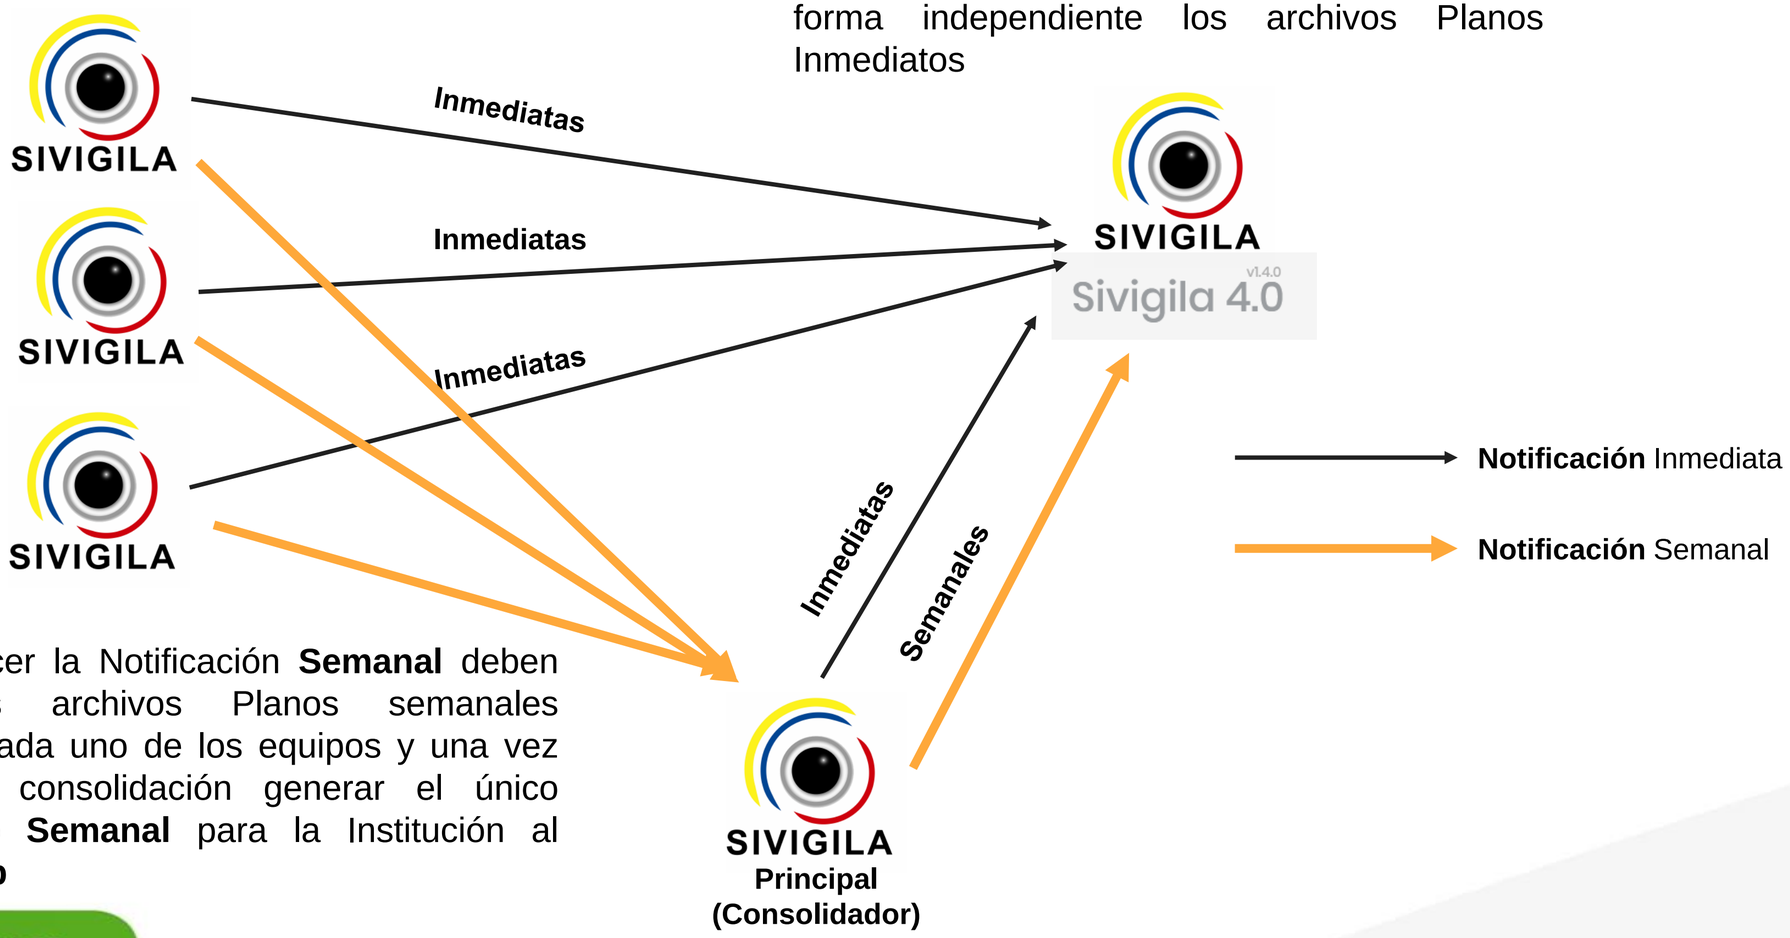

Un Solo sivigila Con acceso desde varios Computadores

Donde Se generan los Archivos Planos (Inmediatos y/o semanales) para posteriormente ser cargados al Sivigila 4,0 web

# Notificación desde varios Sivigila Independientes

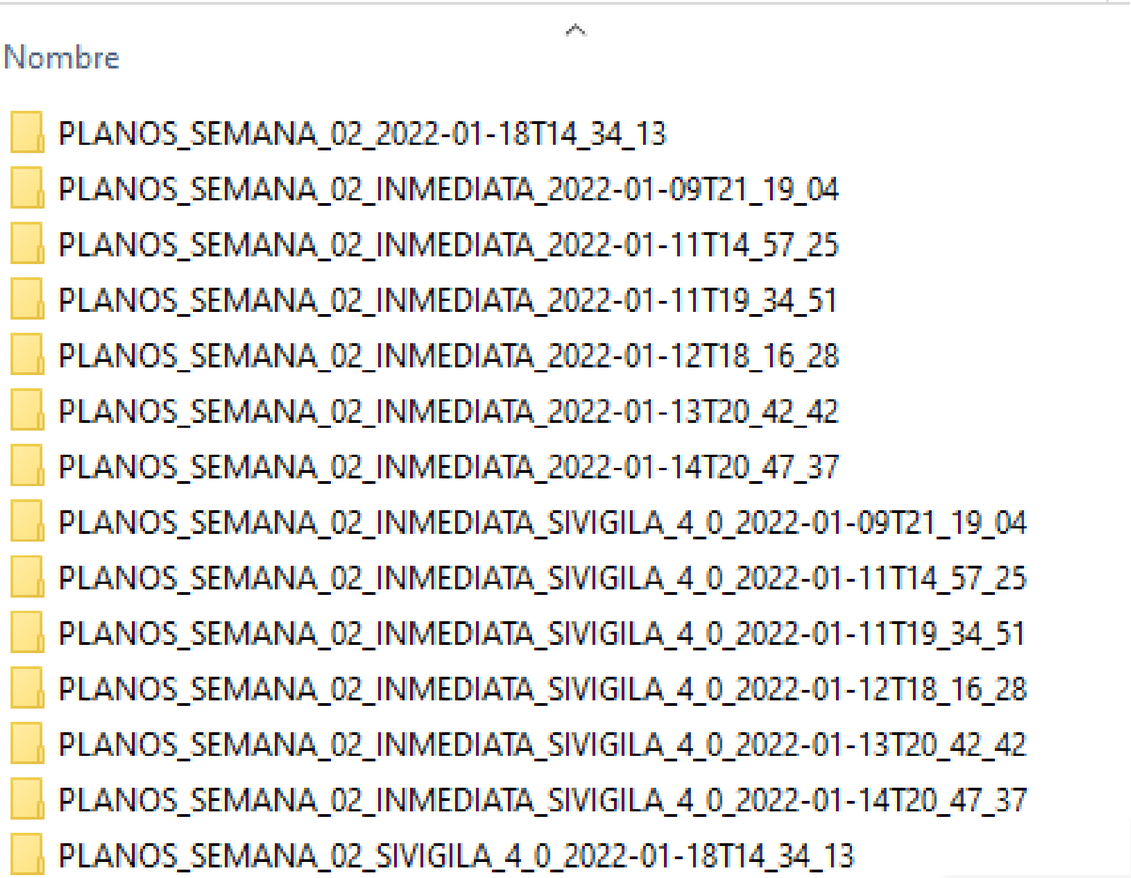

Todos configurados con la misma Caracterización y con capacidad de generar de forma independiente los archivos Planos Inmediatos

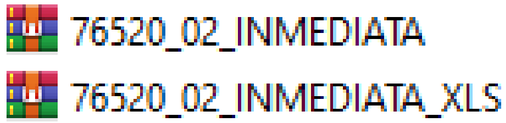

Para poder hacer la Notificación **Semanal** deben consolidar los archivos Planos semanales generado por cada uno de los equipos y una vez realizada esta consolidación generar el único **Archivo Plano Semanal** para la Institución al **Sivigila 4.0 web**

# Correo Electrónico para Notificación

La realización de la Notificación en la Plataforma Sivigila 4.0 de la WEB **NO** omite el envío del correo con los Planos Inmediatos y/o Semanales sivigila@yahoo.com

Recordar que al correo electrónico se adjuntan Ambos Archivos y que en la plataforma Sivigila 4.0 WEB solo se sube el Archivo que **NO** dice XLS
