Doctor
ANDRÉS GÓMEZ CALDERON
Subdirector
Centro de Comercio y Servicios
SENA
Pereira

ASUNTO: Suspensión del contrato a partir del 21 al 24 de junio con regreso el 27 de junio.

Cordial saludo.

Soy instructor nuevo de articulada, contratado la semana inmediatamente anterior a esta semana. Había participado en una convocatoria de docentes de Finanzas Sostenibles a nivel mundial y me gané la opción de ir con un muy reducido grupo de docentes en representación de los docentes universitarios de Colombia, ofreciéndome pasajes y estadía más la participación en el congreso de Finanzas Sostenibles a realizarse la semana del junio 21 al 25, semana donde hay receso escolar en los colegios. Por lo anterior solicito la suspensión del contrato a partir del 21 al 24 de Junio.

Es de anotar que ya le realicé la solicitud a la doctora Diana María Cacante, quien a su vez se comunicó con el Supervisor de Contrato Héctor Fabio Orozco Carvajal, además anexo carta de invitación.

Muchas gracias por la atención prestada

Dear Jorge,

I am pleased to invite you to the 2022 convening of the Impact and Sustainable Finance Faculty Consortium at Kellogg.

This is the sixth annual convening of faculty who teach impact and sustainable finance courses at the university level. During our three days, we will focus on learning from one another, keeping abreast of the newest developments and research, and collaborating across institutions and continents to elevate and propel forward the field as a whole.

Our 2022 convening will be the first in-person convening since 2019 and we will focus on renewing and igniting connections between members of the consortium - many of whom have never had the opportunity to meet due to challenges related to Covid-19.

Dates:

- Wednesday June 22 – Friday June 24, 2022

Format:

Over the course of the convening, we will engage in networking activities, small group discussions, guest lectures, and plenary sessions. A formal agenda will be released ahead of the event.

Location:

Kellogg School of Management
Northwestern University
2211 Campus Drive
Evanston, IL 60208

As you are a member of the Consortium, your flight and accommodation expenses will be sponsored by us through a grant provided by the Rockefeller Foundation.

Please join us to reconnect our community, gain new connections, and find inspiration across roles and industries!

Warmly,

Megan Kashner

Professor Megan Kashner
Director of Social Impact
