**EVIDENCIAS APRENDICES SEPTIEMBRE 2022**

Daily Routine

My name is Daniela My Daily Routine is go to the Inprosoremas to study and share time with my friends, I Dont like take my breakfast with nobody but recently, I like this moments with them, they are part of my Daily routine.

after that I go to my home when I finish my class. I take my lunch and rest a little, while I watch Videos or listen music.

when I finish my lunch, I take a shower and turn on my Pc. and study or read online but before of that I make coffee I like too much the coffee, when it's done, I sit down and begin with my "work".

Sometimes I wake only for hobbie

When is time go to bed. I read a little, I have insomnia. then is hard sleep early.

I TAKE a Time for rest my mind. when I can sleep is the best moment of the day. and finally this my daily routine

- **¿El conocimiento básico del idioma inglés es una herramienta necesaria en la vida cotidiana y en la vida laboral de cada persona? Realiza una escrito respondiendo a este cuestionamiento aplicado a tu situación personal. 20 renglones.**

Considero que así como vimos el caso que nos fue presentado, de la misma forma en la vida actual en la cual la tecnología avanza cada día, el último inglés hace parte de la cosas que tienen una gran importancia tanto en la vida laboral como el la personal.
Actualmente se ha vuelto un requerimiento importante de los nuevos profesionales el conocimiento del idioma inglés, las empresas se han modernizado y realizan operaciones en otros países, de la misma forma reciben visita de inversionistas entre otros aspectos por los cuales el talento humano debe estar debidamente preparado para atender estos requerimientos.
También en nuestra vida personal es importante tener, aunque sea un conocimiento básico del idioma inglés, esto abre muchas opciones, al igual que si tenemos la oportunidad de realizar un viaje esto nos permitirá comunicarnos de mejor manera. Actualmente existen numerosos programas ya sea de intercambio o de trabajo que abre posibilidades, pero se tiene que manejar o tener nociones del inglés. Viajar y poder perfeccionar el idioma es una de las cosas que muchas personas están realizando esto les permite mejorar sus opciones laborales ya que en muchas empresas requieren personal que domine el inglés. En los colegios, en las Universidades se esta enfatizando el dominio de una segunda lengua, esto con el fin de entregar profesionales idóneos a las exigencias del mercado laboral, y también para hacer más fácil la vida de las personas ya que el idioma inglés se ha vuelto parte importante de la vida actual.
