Dassault Systèmes terms and conditions

Agreement: CLOSA (Indirect) - LATAM & Mexico - Spanish - V12.1.1

By clicking on the "I accept" button, you represent that you are the Customer or one of its representatives authorized to act on its behalf, and agree that (i) the DS Offerings as described herein are ordered by Customer from Distributor pursuant to a binding purchase order, (ii) the terms and conditions of the CLOSA (Indirect) - LATAM & Mexico - Spanish - V12.1.1 ("Agreement") with DS (Dassault Systèmes Americas Corp), including without limitation those related to Fundamental Research and any terms that are published on a website that is referenced in the Agreement, are hereby irrevocably and unconditionally accepted by Customer and (iii) Distributor is not acting as an agent of any DS Group company.

Notwithstanding anything to the contrary in the Agreement, all occurrences of Fundamental Research must be replaced by Non-Profit Research and the terms below shall supersede the section "Additional Terms for Academic Use and Fundamental Research Use" of the Agreement.

Non-Profit Research Institute means a Customer which is a non-profit organization dedicated to research, notwithstanding anything to the contrary in any country-specific terms.

Non-Profit Research Use means use of DS Offerings by authorized users at Non-Profit Research Institute solely for purposes related to research which is experimental and/or theoretical in nature, undertaken primarily to acquire new knowledge of the underlying foundations of phenomena and observable facts, up to proof of concept in a laboratory.

Non-Profit Research Use Restrictions. Notwithstanding anything to the contrary in Section 2 or any country-specific terms, DS Offerings for Non-Profit Research Use shall not be used, directly or indirectly, for commercial purposes of Customer or any third party (e.g. for production of goods and services for resale, professional consulting, corporate or government internships, work-for-hire under commercial and/or government contract terms).
