We worked on the presentation, we did the sentences , like i am david, i am 48 years old, we practiced the vocabulary , we did the numbers practice : Example phone number + numbers from 1 to 100 + 1000. They did the copies. Next class we will be able to do an exercise related to numbers + the to be structure like : the lipstick is red.

April the 18 th 2023

Vocabulary + the adjectives . we practiced adjectives with the papers + the car is fast+ questions + affirmative + negative answers+ we did an extra practice of numbers from 1 to 1000000 they did some listening Exercises + we watched the video make up vocabulary .

Note : next class we will practice the vocabulary + the adjectives . Example the lipstick is small.

It is a lipstick .. + is it a lipstick , no it is not , it is an eyeshadow

May the 2 nd.

We worked on the vocabulary the video + review how you pronounce each Word+ we did a written activity- they complete based on the pictures the sentences and change them into questions and did the affirmative and negative answers. Example it is a lip stick / is it a lip stick?

Yes, it is / no, it is not + we worked on the (a/an)

Example it is an Orange / it is an eye shadow + NOTE: Evidence # 1 is ready .. next wekk i have to open the link in TERRITORIUm.

May the 9 th 2023

Plural : Example : they are some eyeshadows + we did a general exercise Example : are you luisa? Yes, i am/ is it a phobe? No it is not, it is a tv. Is it 1200000 pesos. yes, it is.

Is it small . no it is not. It is big.

Note: Pending to open the links # 1 and # 2 in Territorium.

May the 16 th

The plural of the nouns + questions + affirmative and negative answers + it will be 50% of Evidence # 3 . we did practice the plural of the nouns and they did and exercise Example: they are some cats

Are they any cats? + yes, they are, no they are not. + adjectives from the video + they did the speaking speaking . Note: Pending to open **link # 3**

May the 23 rd 2023

Ficha # 2617705 – Cosmetologia

We worked on the wordsearch related to cosmetology -+ they looked for the meaning of the new vocabulary + we started the new topic + simple present the 3 rules play /study/ s,sh, ch, o, x, z +

Affirmative and negative answers+ they they the sentences 4 sentences in question and affirmative and negative answers. It could be Evidence # 4 but we have not decided yet.

May the 30 th

We worked on simple present / it was a review about questions and answers , we started with the copy (peter's daily routine) , they underline the verbs and we analyzed the meaning of the paragraph.

Next class. They will have to bring the copies to continue the activity ,

Note ; some girls have not come recently due to the problem of the link ; so they think that the 2 evidences are enough to pass the subject, in fact it is not.

Pending to do Evidence # 4 it wil be a Little more difficult , it will be a challenge to them.

Ficha # 2617705

June the 6 th

Verbs exercise copies new activity + the video Hector´s arrival + questions related to the video .

JUNE THE 6 TH

We worked on simple present we did a review + they did the copies with the vocabulry + 16 verbs + the Word search + they watched the video Hector's arrival + they did the questions and answers related to the video

It is 50% of Evidence # 4 .. Pending next class they will do the 50 % that is Pending .

And it will be the 100 % of Evidence # 4. It will consists of writing a daily routine and they will have to go in the front of the class and speak then they will have to answer 2 questions their classmates will ask. Example : do you drink coffe at 5:00 am . no, i do not

Yes, i do

June the 13 th

50 % speaking the daily routine exercise – they will Watch a video and will do something similar to perform their task .

We finished Evidence # 4 we worked on daily routines + we watched a video where they answeres the questions related to the girl's daily routine. Finally they wrote their daily routines and the classmates asked questions relate to it: do you each bread at 5:00 am? yes, i do/ no, i do not

The link # 4 is already opened so they have to upload the Evidence at home.

June the 20th 2023

We did Evidence number # 5 … they did the questions with (what, where, where , how often).

They did the long copies and it was Evidence # 5.

Pending to open the link # 5 .
