

July the 11 th 2023 mesa y bar

We practice the basic Greetings + we did a dialogue like: hello!! I am david.., what do you want to eat? I want a sándwich what do you want to drink? I want a beer

They practiced 16 new words related to food and drinks (pizza, Orange juice , salad...) + they practiced the basic sentence structure Example : the pizza is Delicious / the salad is cold.

Note : Pending for the next class we will practice basic adjectives to do full sentences like:

The salad is cold .

Next class we will have to start the Spanish class it will be the first one.

June the 18 th

We did an speaking practice and they answered some questions i asked them; they check how to pronounce 6 words from the document, like : pot, saucepan, fryingpan, etc. Next class they will have to Remember how to pronounce those words and do sentences like; the pot is hot,+ practice questions and answer the questions affirmative and negative form.

July the 25 th 2023

We will work on the numbers from 0 to 1000 + we will ask questions related to the nouns we studied last class: Example is the boat is 50.000 s pesos? no, it is not / the boat is 65.000 pesos.

+ we will do the pictures activity with the papers which is to match the Word with the picture + finally we will use the new adjectives + the previous vocabulary . is the pot big? No, it is not / the pot is small.
