Note : Alejandra , sebastian , Mario Rafael they did not come to class

August the 1 st 2023

We will work on the video describing the food. They did the practice related to the food and they described some products related to bar : Example : the lemon is Delicious / the shoot is juicy

+ they asked questions and answerd the questions affirmative and negative form. + they did a short dialogue where they asked 1 question to his/her classmate and he or she answered the question. Next class they will do Evidence # 1 related to English.

August the 8 th 2023

We did a practice related to the video , they wrote 10 different cocktails , we practiced the pronunciation and they did the grammar practice of the simple present .

We started with the new topic simple present we did a practiced they completed the sentences with the different verbs + finally they change one procedure i did with the cocktail , they chenged it into a third person procedure. Example: i buy the fruit + i wash t he fruit+ / she buys the fruit + she washes the fruit.
