Spanish class

We worked on formal and informal language, they talked about their lives and experiences while working as beauticians.

Next class we will talk about the letter , formal letter to complain about a service or product.

Spanish class October the 11 th 2023

El dia de hoy trabajamos en el lenguaje formal y el lenguaje informal. Los aprendices dieron ejemplos sobre algunas palabras del lenguaje formal y otras del lenguaje informal.

We worked on the informal language and they give examples of some informal words on the papers and they did write a message to their friends using some of the words they mentioned during the class.

They read their messages and i colud check their Exercises

Note: it is the first part of Evidence # 1 – next class they will have to write a letter using formal language and it will be part B Evidence # 1

October the 25 th 2023

El dia de hoy terminamos la evidencia # 1 que consiste en escribir una carta formal con el fin de quejarse por sobre un producto o servicio. Al final analizamos la estructura del documento y pudimos mejorar la redacción general de los escritos desarrollados.

We finished part B Evidence # 1 and we started reading the document “la verdadera libertad” we just started reading, so next class we will anylize it and they will have to write the thesis statement and the supporting sentences.

Noveber the 1 st 2023

We worked on the thext “ la verdadera libertad” we read it and we analyzed it , so next class they will have to write about the thesis statement and the supporting sentences in order to complete the Evidence # 3 “Spanish” Evidence.

November the 8 th 2023

We finished Evidence # 2 , the students “ the girls” wrote the thesis statements of the paragraph “ la verdadera libertad” and they wrote the supporting sentences and the conclusion , so we read their paragraphs and i checked the Evidence.

Note : they already started with Evidence # 3 , next class they will have do do their expositions and it will be Evidence # 3.
