Spanish class Octubre the 11 th 2023

La clase de hoy se realizo con base en una discusión relacionada con el lenguaje formal e informal. Sus usos y con las personas que usualmente nosotros usamos este tipo de lenguaje.

Adicional a esto empezamos con la elaboración de una carta formal con el objetivo de quejarse sobre algo " producto o servicio".

We worked on formal and informal language, they did some dialogues using formal and informal language, then we read the letter " formal letter· they have already started their writing document about a letter to complain about a product or a service.

We will finish next class the document.

Octubre the 18 th 2023

El dia de hoy continuamos con el documentos y terminamos la carta formal y analizamos las partes y las fallas que el documento presenta.

We worked on the letter, they finished the the letter we checked it and i graded the document, it is the first Evidence Spanish " Evidence # 1"

Note ; Pending to open the link number 1

Octubre the 25 th 2023

El dia de hoy en comunicación asertiva analizamos el texto la verdadera libertad " la verdadera libertad" los aprendices opinaron al respecto y se hizo la interpretación del documento, seguido a esto se realizo la parte escrita donde los aprendices escribieron la idea principal del texto y también escribieron los argumentos que soportan este texto deacuerdo al documento.

We will work on the new text " la verdadera libertad". It will be Evidence # 2

We finished the text and we checked the paragrah … so i have to open the link # 2 next week

."Spanish Evidence".

September the 1 st

We worked on the exposition, the students had to prepare themselves to talk about a product they need to sell, so they will describe the product and its advantages, they will have to draw a logo and explain its meaning, they will have to talk about their proyect the next class.

Note: some students did the first part of the presentation, they will have to improve it and do it again the next class.

We expect to finish the next class and it will be Evidence # 3

November the 8 th

We will worked on the presentations + they will have to chances to do their job, at the end they will have finish Evidence # 3

Missing people: andres lugo, nicolas Ayala, juan Manuel rodriguez, valentina, leidy, viviana.

Note: some students finished their expositions, some of them came late, so i told them not to get into the classroom.

Next class : students who did not complete Evidence # 3 have to be at 7 am to do their evidences, some students have to do Evidence # 2 and the rest of the students will be in the classroom at 8: 30 to start Evidence # 4 all together.

November the 15 th 2023

We finished Evidence # 3 with the students who had missed the last class. Now , all the students finished Evidence number 3 .

We started Evidence # 4 , we read the document related to the morse code , so we analized it and talked a Little bit about the paragraph. Next class we will be doing the Exercises related to the Morse code.
