Spanish class Octubre 11 2023

El dia de hoy trabajamos en el lenguaje formal y el lenguaje informal.

Los aprendices opinaron y comentaron sobre la importancia de conocer , diferenciar y saber usar cada tipo de lenguaje en un contexto determinado.

We worked on formal and informal language, they did some dialogues using formal and informal language, then we read the letter " formal letter· they have already started their writing document about a letter to complain about a product or a service.

We will finish next class and we will read and analyze the letter the next week.

Note: 6 or 7 students missed the class i will upload the attendence to keep track of the student's performance.

October the 19 th

El dia de hoy trabajamos sobre la carta formal, sus partes y la manera correcta de presentar dicho documento. Se comenzó con la redacción del documento donde los aprendices deberán elaborar una carta formal con el fin de quejarse por algún producto o servicio.

We read again the document "carta formal" + they finished their letters and we started reading the documents, so 6 people 4 0r 5 people read it the rest of the people are Pending to read the document next class.

Note: i had a meeting related to the other mesa y bar group , the topic was they are using a lot of informal language during their brakes".

Next class we will continue reading the letters and it will be our first Evidence. "Spanish Evidence # 1".

October the 26 th 2023

El dia de hoy leímos los documentos y corregimos algunos puntos importantes para lograr una mejor claridad del mismo. Hicimos una retro alimentación de los documentos y de igual manera logramos tener una opinión mucho mas clara sobre el contenido y la intención de dicho documento.

We worked on the reading practice , they read and analyzed the documents they wrote, + they gave some advice to the people who wrote the letters.

Next: we worked on the Evidence # 2 , we started reading and we could analyzed the text " la verdadera libertad", we finished the reading part , next class we will do the written

part which will be write the thesis statement and the supporting sentences of the document.

October the 9 th 2023

We will read the thesis statement and the supporting sentences + they will read their paragraphs . They already finished the Evidence # 2. I checked it and we started with Evidence # 3 , they did their posters and finished the presentation. I checked it , so Evidence # 3 is ready.

Note: Pending to open the link # 3 .

November the 16 th 2023

We will started wit hEviden # 4 the Morse code.

We finished Evidence # 4 , the students did all the Exercises related to that activity.

Note: i have to open links # 3 and # 4
