Poly Product Discontinuation Bulletin

PDB Number: 2281
Product / Services Name: Selected Aviation and Specials PDB
Partner Bulletin Date: 30-Nov-2023
Customer Notification Date: 30-Nov-2023
Affected Region: LATAM-USD

Overview:

This Product Discontinuation Bulletin provides advance notice to Poly Partners describing Poly's intention and plans to end new sales for the Products or Services listed below, and the dates at which support will end. Any existing Service Agreements will be honored until their expiry date. Products and Services can be ordered up through their respective End of Sale Date. Support can be renewed through the End of Service Date. All information contained in this Bulletin is Poly Confidential until the End of Commercial Sale Notification Date. This material is intended to enable Poly Partners to plan their companion Product or Service End of Life activities.

Product Overview:

Selected Aviation and Specials Headsets and Accessories. This notice also serves to notify all customers that as of the End of Sale date, April 30, 2024, Poly/HP will no longer be providing any customizations for headset products and will only be providing the products listed under Replacement Products as is. Internationally, due to the high cost of re-certification and regulatory compliance testing under HP Inc., Aviation and Specials will only be offered in Canada, The USA, EU Countries, EEA Countries, Japan, Australia, New Zealand, India and Singapore.

Service Overview:

Recommended Partner Actions:

Partners should use this material to prepare End of Life materials that cannot be disclosed to customers up to and until the "End of Commercial Sale Notification Date" listed below. Partners with customers that have standardized on these Products should review current and future needs for this Product to determine whether additional purchases are required before the End of Commercial Sale Date takes effect. This Bulletin is subject to the terms and conditions of your master sales and/or partner agreement with Poly. Poly reserves the right to modify the information contained in this Bulletin at any time in its sole discretion.

FAQ's

Q1 - What is the End of Commercial Sale Notification Date?
A1 - The End of Commercial Sale Notification Date is the date Poly has specified this action should be made publicly available to your customers. Please consider the information contained in this Product Discontinuation Bulletin Poly Proprietary and Confidential up to and until the End of Commercial Sale Notification Date is passed.

Q2 - What is the End of Commercial Sale Date?
A2 – The End of Commercial Sale Date is the final date the customer must place a valid PO to order Product or Services. Once this date has passed, the Product or Services will no longer be orderable. (Product may still be available after this date in limited quantities or may be halted prior to this date due to the inventory being depleted).

Q3- End of Engineering Support Date?
A3- The End of Engineering Support Date is the last day that Engineering will be supporting software or hardware changes for the product that is going End of Commercial Sale.

Q4- End of Service Date:
A4- The End of Service Date is the last day that a Product or Service will be supported, unless there is an Active Service Agreement, which would be covered until the expiry date.

Q5 – Where can I get more information on Poly's End Of Life Policy?
A5 - Poly's End of Life Policy is accessible on the Poly Partner portal or contact your Poly Sales Representative.
