I. Actividades de reflexión Inicial: WARM UP
1. Being this the final part of your English program, you are more conscious of your own English learning process. Make a list of thingsthat you can do that can help you learn English better (or strategies you have already successfully used).
Things and strategies, we can do to help ourselves to learn English better

2. Reading comprehension. The following text is about natural disasters. Read it and answer the questions.
When something is natural, it comes from nature, and it is not manmade. Adisaster is something that usually causes major problems. It would be a disaster ifa bridge suddenly fell because it was not built properly. Disasters are negative but can be manmade. However, when speaking about natural disasters you can combine the two terms and define them as catastrophes that occur in nature or by natural

1. Actividades de reflexión Inicial: WARM UP
I. SIMPLE PRESENT VS PRESENT CONTINUOUS
1. Read the two texts carefully. Then answer the questions.
Isabel
On Saturday mornings I usually get up late and do the housework. Then I meet some friends in town for lunch, and go shopping in the afternoon.
But this Saturday is different! This morning Isabel got up early because today she's getting married. She's in church with all her family and friends. She's wearing a white dress, and her husband is standing next to her.
Mark
On Christmas Day we usually all go to my parents' house. We open our presents, then have a big lunch at about 2.00 in the afternoon.
But this Christmas is different! Mark and his wife are in Australia. They're visiting friends. This morning they went to church, and now they're having a barbecue next to the swimming pool. It's hot and they're wearing swimsuits.
