TIQUETES NO UTILIZADOS

Considerando que la facturación de los tiquetes aéreos se realizó una vez estos se iban emitiendo, que estas emisiones se realizaron con base en el plan de viajes de las diferentes delegaciones, y que el uso dado a los mismos se conoció hasta el momento en que los deportistas retornaron a sus lugares de residencia tras la conclusión de los Juegos Nacionales y Para nacionales. Durante los días 19 y 20 de diciembre se llevó a cabo un comité de supervisión, donde se revisaron uno a uno los tiquetes emitidos y utilizados por los deportistas, a fin de identificar los tiquetes no utilizados y con base en esto calcular el monto sobre el cual se deberá emitir el descuento respectivo.

Posteriormente, tras completar la conciliación de todas las cuentas y tiquetes aéreos emitidos, se constató que 10 deportistas convencionales y 15 deportistas para-nacionales no utilizaron los vuelos correspondientes. En consecuencia, en la presente se procederá a realizar la correspondiente devolución de la siguiente manera:
