My Summer Vacation

"Last summer for vacation, I went to India. I had a great time there. It was a fantastic vacation. One day I went out to buy a pair of shoes. The weather was sunny and clean, it was amazing. Such a wonderful day for shopping. I went to a shoe store. The salesperson was a great person, he answered all my questions with a smile. He was warm and friendly. I chose a pair of shoes but when I wanted to pay, there was no wallet in my bag. I had two options: I lost my wallet or maybe someone stole it. I was shocked. No! I went outside to look for my wallet. Suddenly, the salesperson called me and said it was on the ground and he returned it to me.

After that, I was really hungry so I went to a restaurant. The waiter didn't answer my questions properly. He was cold and unfriendly. I ordered kebabs. After a long time, they brought my food. I started eating but it was terrible, horrible food. It was an awful kebab. That was strange because India is famous for its terrific kebabs. I came back but I was still hungry"
