

COLLEGE of AMERICAN PATHOLOGISTS

April 8, 2019

To whom it may concern:

The College of American Pathologists (CAP), located at 325 Waukegan Road, Northfield, IL 60093, USA, confirms that COLCAN S.A.S. | CAP number: 8382803-01 has been enrolled by Quik Laboratorio located at Calle 63C No. 35-13, Bogota, Colombia to participate in the 2019 CAP Surveys Proficiency Testing Program (CAP PT) program for NGS: Next Generation Sequencing Germline.

Once all laboratory participant results are evaluated and reviewed, the CAP will provide the laboratory an evaluation report along with a participant summary report. This will be made available in e-Lab SOLUTIONS on the CAP website.

The CAP Surveys certificates for Proficiency Testing participation are provided annually after the end of the then current CAP PT program year. The 2019 certificates are expected to be sent to 2019 CAP PT participants in first quarter 2020.

This confirmation letter is valid through December 31, 2019 and is contingent on continued participation in the available 2019 CAP PT events.

Thank you for your interest in the CAP's quality assurance programs.

Sincerely,

Theresa Levinski
International Region Leader, Latin America
