tablecloth rigid?

No, it is not/ the tablecloth is flexible. They did the exercise and they will have to do the final exercise next class. It will be a dialogue where they will use questions like How much is it? And is it 4000? Yes, it is / no, it is not. + they will do some questions using the basic vocabulary of the kitchen and the basic adjectives from the video. Example: is the plate heavy? No, it is not. The plate is light.

March the 1 st

We worked on the singular and plural form When asking How much? + they practice vocabulary + some adjectives + they practiced basic adjectives : is the spoon flexible? Yes, it is / no, it is not . they watched the video with the adjectives to describe people, they did and oral exercise and they finally did a written exercise where they learned new words related to the kitchen and they did some sentences in question + the answers in order to practice the affirmative and negative form. Note ; they have alreadyfinished Evidence # 1 part B , Pending to open the link.

March the 8 th 2024

We will do an oral exercise + we will Watch the video with the 10 basic cooking verbs.
