We practiced questions in singular and plural example: how much is / how much are + the answers. They did an oral exercise where they asked questions and answered them + they did also practiced quetions with the vocabulary related to cosmetology and the basic adjectives : Example is the foundation light? Yes, it is/ no, it is not. Finally they wached a video to learn the adjectives to describe people. This last part will be practice next class. "adjectives to describe people". Note; they have alrady finished Evidence 1 part A and B . Note: Pending to open the link # 1 next week.

March the 8 th

We will work on simple present tense + a video with some cosmetology verbs. They worked on the simple they watched the video and created 8 sentences related to the new verbs. Then, they did the copies related to Evidence # 2 and i checked it. They have to upload the Evidence. # 3
