

The Windows taskbar is visible at the bottom of the screen. It contains several application icons: Windows Start button, Search, Task View, File Explorer, Microsoft Edge, Microsoft Excel, Microsoft Word, Adobe Reader, a folder icon, Google Chrome, a game icon, and a calculator icon. On the right side of the taskbar, there is a system tray showing the time as 11:36 a.m., the date as 23/04/2020, and a notification icon with a number 20.
