License Program Certificate

This Arcserve License Program Certificate (the "Certificate"), entitles the below referenced Licensee (the "Licensee"), to enter the License Program set forth below, which is a licensed software procurement program designed to facilitate and simplify the ordering and reproduction of the Licensed Software set forth below (the "Licensed Software"). By accepting this Certificate and reproducing the Licensed Software, Licensee agrees to the terms and conditions provided on this Certificate including the terms and conditions of the current or most recent version of the End User License Agreement ("EULA") available at: https://www.arcserve.com/eula (collectively the "Terms"). Arcserve in its sole discretion, may amend or modify the EULA from time to time. If Licensee does not agree with the Terms, Licensee should not reproduce the Licensed Software, and Licensee should immediately return this Certificate along with the media containing the Licensed Software object code to Licensee's place of purchase.
