11th /07/2024 Cosmetology Ficha # 2875986 "English"

We practice prepositions like ; on, between, behind next to, they did a practice + they started with the copies from the map ; where is the hospital? Go straight ahead on bolivar avenue turn right on 19 street, the hospital is batewen the cinema and the bank.

Next class we will contimue with the copies.

12 th july 2024

We worked on the copies, they did the exercise and we could check the activity. It was good Because some students who missed the last class could understand the topic " directions". They had to write the dirctions in order to get a place; Example ; where is the restaurant? Go straight ahead on panama Street, turn right on cresent Street , go straight ahead , it is next to the bakery.

Note: next class we will do the speaking activity , the students won't be able to read their notebooks , all they will do is to Remember the directions in order to get the right place.

Tomorrow we will do part B Evidence # 1 .

19 th july

We worked on the smurff copies- present continuous + wh questions , they did the copies and we had a long speaking practice related to questions and answers, + we practiced (what, where, When, why) + some verbs related to the copies "the smurff" we have a round table were they select some of the verbs and asked questions to their classmates in order to practice the topic.

24 th july 2024

We worked on the video , they watched the video and we studied the first 5 "wh" questions, then they created a dialogue related to Cosmetology.

They already Remember the verbs related to Cosmetology ; Example: pluck, wash, clean. Who is plucking? Sofia is plucking. / what is sofia plucking? She is plucking the eyebrow. They need to practice and learn the new wh questions and the answers.

Note: we will do the dialogue next class. They will have to learn the questions
