EU DECLARATION OF CONFORMITY

Manufacturer: Rauland-Borg
Address: 1802 West Central Road
Mount Prospect, IL 60056-2230

We, Rauland-Borg Corporation, declare under our sole responsibility that the Responder® 5 Nurse Call System complies with the following directives:

Council Directive: 2006/95/EC – Electrical equipment designed for use within certain voltage limits – (LVD - Low Voltage Directive)

Council Directive: 2004/108/EC – Electromagnetic Compatibility Directive

Council Directive: 2011/65/EU Article 7(b) – RoHS Recast Directive - Restriction of certain dangerous substances commonly used in electronic and electronic equipment.

The following harmonized standards have been applied:

Safety and Health

- IEC/EN 60950-1 Information Technology Equipment – Safety- Part 1: General Requirements (2nd Edition); A 1:2009 and EN 60950-1:2006 + A11:2009 +A1:2010 + A12:2011 (which includes all European national differences).
- DIN EN 60601-1 (VDE 0750 Teil 1): 2013-12; EN 60601-1/A1:2013-10 IEC 60601-1 (ed.3); am1 (Medical Electrical Equipment Package - general requirements for basic safety and essential performance of medical electrical equipment and medical electrical systems)

EMC

- EN 55022: Information technology equipment – Radio disturbance characteristics – Limits and methods of measurement + AC:2011 – IEC CISPR 22:2008 Standard Date: 2010

- EN 55024: Information technology equipment – Immunity characteristics – Limits and methods of measurement – IEC CISPR 24:2010 Standard Date: 2010

- EN 61000-3-2: Electromagnetic compatibility (EMC) – Part 3-2: Limits-Limits for harmonic current emissions (equipment input current < = 16 A per phase) + A1:2009+A2:2009 – IEC 61000-3-2:2005+A1:2008 +A2:2009 Standard Date: 2006

- EN61000-3-3: Electromagnetic compatibility (EMC) – Part 3-3: Limits – Limitation of voltage changes, voltage fluctuations an flicker in public low-voltage supply systems, for equipment with rated current <= 16A per phase and not subject to conditional connection – IEC 61000-3-3:2008 Standard Date: 2008

Additional Compliance:

- RoHS2: EN 50581: 2012 Standard
- Council Directive 2012/19/EU: (WEEE Directive) Waste Electrical and Electronic Equipment Directive (WEEE Directive).

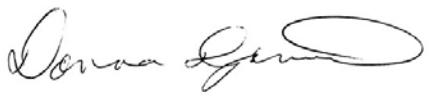

The technical documentation to demonstrate compliance is maintained by Rauland Borg in Mount Prospect and is available for inspection by the relevant authorities.

Any modification of these devices not authorized by Rauland will invalidate this declaration.

The attention of the purchaser, assembler or user is drawn to the special precautions and limitations which are included in the Technical and User Manuals for the product and which are also available from Rauland on request.

Sincerely,

RAULAND-BORG CORPORATION

Donna Djinovich
Director, Regulatory Affairs
