De camino a casa Lolo iba pensando en lo que le había dicho el médico: era verdad ninguna oreja era igual a otra.

Las del abuelo eran largas, las de la abuela grandes y muy sinuosas, las de mamá eran pequeñas y las de papá muy grandes.

Y yo tengo una oreja recta y otra que se cae, una hacia arriba y otra hacia abajo, arriba, abajo.

¡Ahí viene Lolo exclamó un conejito al verlo llegar!

Pero luego **pensó** que quizás el médico podía ayudarle. El doctor examinó sus orejas, por dentro y por fuera, las midió, pesó y hasta muchas cosas más le dijo.

A los cinco días le llamó un poco de tiempo para ir a la consulta con el perfectamente, además, no hay dos orejas iguales.

Y al despedirse de él le dio una zanahoria
