Recording 1st online session welcome (27/06/2024)
ENGLISH DOES WORK - LEVEL 4
DESCRIPTION:
Dear apprentices, our first session began with the welcoming to the course and introduction of every student. After that, there was an exploration of the platform Zajuna and its functions, which required updating data in SofiaPlus, development of initial survey, greeting in social forum. Recall that the above activities correspond to the week of induction and appropriation of the platform.
Commitments were set: study, check and review the formative component: Down memory Lane.
