1 st october

Today we practice the recipe, so 5 volunters show their recipes and i could check it on the list, next class we will select another 5 people . They did the first part of the exercise. The exercise is a paragraph related to cooking and they had to complete the 12 spaces in order to give a complete sense to the paragraph.

4TH OCTOBER

We worked on the recipe ; 5 students did their presentation. Then we watched the video again; the video related to the taste ; they did 4 questions with the answers; affirmative and negative form. Example; Is the pizza Delicious? Yes, it is / they did the oral part and it was good. Ashley was the only person who did the cleaning ; next class the cleaning will be done by ; samuel ; lugo, valentina.

8 th october

We worked on the presentations+ 5 students did their presentations and i could check their job. We reviewed the topic " simple present tense" + they asked one question to one of his classmates and they had to answer the questions. + they started with the copies and they did 5 questions on the back of the paper . they had to read the 5 questions and the answers. It was the activity for today.

11t October 2024

We could not practice english today; they were with guto all the class.

15 th October 2024

We will check the copies related to the most common cooking verbs

The students will do a dialogue using the verbs related to cooking. They will have to asked 5 questios using the verbs from the copies. + we will start with 2 more questions using the main

Pending "wh" questios what , where, When , why, who … with

They will do a video with the last activity.

22 nd October 2024

We worked on the wh questions , the students practice the oral part , they did a dialogue using one verb and answering the questions . Example ; what do you play?

Where do you play? When do you play? Who do you play with?

They did a video related to cooking verbs , so they have to upload the video to the chat in order to check the pronunciation.

The video activity is Pending for the next class.

29 th October 2024

We worked on the video , they finish the video with wh questions ´what where, When, who with. / they started the copies related to simple present+ they did the exercise in groups of 5 people+ we checked the exercise and they did the speaking exercise related to the copies + Example. What do you play? I play football+ where do you play? Etc. It was another exercise they finished.
