2 nd october

Today we practiced the presentations; Example I am luisa/ i am 25 years old/ i live ice cream.

+ we practiced how to introduce one of our classmates . finally they started doing the copies related to verb to be + they had to complete the sentences based on the personal pronouns + they had to do a video in order to practice 3 basic questions using verb to be.

Note; next class we will check the exercise and i will have to show they videos in order to check the students's pronunciation.

9 th october 2024

We worked on the copies, they finished the activity and i could check their videos using the verb to be , they did the video and they uploaded in to the chat. Then we could analyze their pronunciation. + we started with the new topic . simple present tense+ they learned the thir rule, " s " in third person+ affirmative + negative.

They started the activity by asking one question to their classmates using do you play soccer? So, they answer.

Note: next classs we will continue with the questions + and we will work on the verbs related to Cosmetology.

16 th October 2024

We worked on the simple present tense+ the students asked one question related to the verbs from the copies super guau+ Example: do you play football? / do you mix the colors?

We started with the topic simple present : we studied the third rule of simple present.

Rule 1 2 3 + they studied the verbs related to Cosmetology+ so they did 3 questions and they had to ask their classmates + note: this activity is Pending to do next class.

They will have to learn the questions by heart .
