18 th October 2024

Octubre 18 2024 ficha # 3066403 cosmetologia

El dia de hoy trabajamos las presentaciones personales usando el tiempo " verb to be" + hicimos las presentaciones individuales donde los aprendices pudieron presentarse ante los demás dando información personal. " edad/ sitio de origen/ afinidades/+ finalmente trabajamos los números telefónicos y como solicitar esta información y como contestar a dicha pregunta correctamente.

We worked on their presentations+ they introduced their classmates and they practiced the pronunciation of the phone Numbers Example: she is maria / she is 45 years old / she is from cali.

Her phone number is 3156789004

We watched the video " the big Numbers" they practiced Numbers from 0 to 100 and they did the copies where they had to circle the correct number according to the sentence. It was a good exercise. They finished and i could check their Exercises.

21 st October 2024 Octubre 21/ 2024

El dia de hoy hicimos un quiz donde pudimos confirmar el grado de comprensión de los aprendices con respecto a los números cuando hablamos de cifras que van del 1 – 100. Adicional a esto vimos un video relacionado con el " SPA" y los aprendices debían seleccionar 5 elementos u objetos que hay en dicho lugar para poder nombrarlos en ingles de manera correcta.

We had a quiz+ Numbers + they had a dictation . they did a good job.

We worked on the verb to be + questions + affirmative and negative answers + they did an oral exercise where we could check our pronunciation. + we watched a video related to the SPA and the students had to select 5 elements from the video and practice how the words sound. +

Note: Pending next class we will work on the copies related to the vocabulary related to Cosmetology.

Octubre 25 2024

El dia de hoy desarrollamos un ejercicio escrito donde los aprendices debieron buscar las palabras en ingles que corresponden a una serie de fotografías de equipos y material esencial relacionado con cosmetología. + adicional a esto vimos un video donde los aprendices lograron identificar las palabras para describir a las personas+ finalmente los aprendices describieron un miembro de sus familia los mas detalladamente posible.

We will work on the copies so the students will look for the meaning of the words " vocabulary related to Cosmetology" + yhey will Watch a video related to adjectives and they will do an exercise which consists of describing one or two family members; they will have to read their descriptions aloud.

28 th October 2024

We worked on the descriptions, the students described their family memebers + we did an extra exercise where they talked about an object ; Example . the oil is hot + questions is the oil hot? Yes, it is / no, it is not+ we watched the video related to adjectives + old/ new/ full / empty+ they did the copies related to the vocabulary related to Cosmetology Example . the blush is light. The blushes are light+ they finally read the 5 sentences they did on the back of the copies.

El dia de hoy hicimos la practica oral relacionada con las copias que los aprendices realizaron la clase anterior. Ellos debieron seleccionar 2 oraciones y decirlas en voz alta usando los adjetivos básicos que trabajamos las clases anteriores.
