5 th november 2024

We will work on daily activities ; the students will answers some questions related to it + the Ladder game + they did the copies related to their daily routines and they read their exercise and it was all. + we finished this activity and it was a good exercise.

12 th november 2024

We worked on the video “hector’s arrival part two” + i asked 5 questions related to it + does hector sleep in the bedroom? Yes, he does / no, he does not

+ they did the crossword copies related to cooking verbs + they finished and they selected 2 verbs to do a dialogue using “ wh” questions + Example: what do you chop? I chop the tomato / where do you chop the tomato? When / who .. with

Note; Pending to do the dialogue : Laura and valentina + the rest of the students had finished the activity.

19 th november 2024

We worked on the video the time “ follow me” we watched the video they did the exercise + what is the time? It is + we watched the recipe the lasagna + we could not finish the video Because we had problems with internent + we started the topic “ simple future” they practice they did the speaking part affirmative and negative answers + we watched the video and they wrote 10 sentences related to simple future + i could check the activity and it was all.
