1 st november 2024

We will check all the 22 questions related to lydia + it was the Evidence they finished. + we worked on the video Hector's arrival + they answered 5 questions related to it + they did the game the Ladder where they practiced questios do/ does + they will have to do the copies next class " daily " routine it is a paragraph they have to read and answer the questions

5 th november 2024

We worked on daily routine + the students created their own personal daily routine + they read it and i could check the exercise + we had a round table and they did the speaking practice+ i finally cjecked the exercise and it is another exercise.

Note: 3 students have a deal with me they have to behave in class otherwise i will have to tell them to leave the classroom.

8 th november 2024

We worked on the video related to the adjectives to describe the objects + Example old /new/ full /empty/ etc + we they practice with one element related to hairdressings and they said one sentence in order to use one adjective. + we watched another video related to hairdressings vocabulary + Example + comb / straighteners/ hair grip /hair gel

Finally they started a dialogue using one Word from the video + one adjective + Example: is the comb heavy? No, it is not / it is light.

Note: Pending to do the speaking practice next class.

12 th november 2024

We worked on their presentations+ we checked the activity and we practice their final Project presentations + they have to do the copies Lina's hair copies next class + we will practice their speaking practice for their final project

15 th november 2024

We worked on the final Project they decided and practice the words they will say the last day in the auditórium+ we practice twice and they decided which song they are going to dance.

Note: Pending to do the exercise from the papers . lina's hair.

19 th november 2024

We did the practiced related to the proyect; they did the speaking practice and we watched the football game Pending the copies next class.
