Export, re-export or transfer of products or services are subject to strict compliance with export control laws and regulations. Malvern Panalytical shall be relieved from its obligations to deliver any items or perform any services, to the extent that applications for permits or licenses related thereto are refused by a relevant governmental authority.

These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

Unless superseded by another signed agreement, Malvern Panalytical's acceptance of this order is expressly conditioned on your acceptance of our General Terms and Conditions (as sent with our quotation and available at https://www.malvernpanalytical.com/en/about-us/terms-of-sale-and-service), which shall apply to and are part of all our offers, agreements, sales, services, deliveries and all other dealings. The applicability of any other terms and conditions is explicitly rejected and superseded by our General Terms and Conditions or any other agreement signed by the parties.
