

A collection of school supplies is displayed on a light-colored tiled floor. On the left, a clear plastic bag with a blue border is filled with various items, including pens, pencils, and a pair of scissors. To the right of the bag, several green boxes of 'PLASTILINA' (modeling clay) are scattered, each featuring a cartoon character. In the center, a pair of blue-handled scissors lies on the floor. Below the scissors, a yellow and red package of 'Papelitos' (pencil sharpeners) is visible. To the right of the sharpeners, a red container of 'Super' brand glue is shown. In the background, a stack of colorful notebooks or folders is partially visible, including one with a rainbow and the word 'Papelitos' on it.
