

Subject: Job Application for the Position of Community Manager at AZUS

Kind regards. I am reaching out to submit my job application for the **Community Manager** position, which was recently posted on several job platforms. I am excited about the opportunity to join the **AZUS** team, a company whose focus on innovation and digital development I deeply admire.

My name is **Jamer Alberto Veloza Sánchez**, and I am a specialist in **Digital Community Management** with 5 years of experience managing brands on social media. My professional profile focuses on creating engaging content, designing strategies for organic growth, and analyzing metrics to optimize performance on digital platforms such as Instagram, Facebook, Twitter, TikTok, and YouTube.

Throughout my career, I have implemented successful campaigns that have significantly increased online community engagement and strengthened the digital presence of various brands. One of my most notable projects was the creation of a digital strategy to promote a tourism campaign called **Turismo en Bogotá**, which allowed me to perfect my content management and audience analysis skills.

I am confident that my ability to identify digital trends, create creative content, and manage communication with followers will contribute to the success of **AZUS**. I would love the opportunity to collaborate in growing the brand and becoming part of the team.

Attached is my resume, where you will find more detailed information about my experience and education. I am available for further information or to schedule an interview.

For any contact, you can reach me at **31976015556** or by email at **jamerveloza10@gmail.com**.

Thank you for your time and attention to this application. I look forward to your response and the opportunity to contribute to the success of **AZUS** as your next **Community Manager**.

Sincerely, **Jamer Alberto Veloza Sánchez**
