International Partnerships

Our Vision and Mission

Vision

To be an entity acknowledged for its leadership in environmental management, ensuring a balance between human development and the preservation of natural heritage.

Mission

Conserve, restore, and safeguard natural resources and the environment in the Department of Atlántico by implementing sustainable development policies, strategies, or initiatives.

WHAT IS OUR MISSION?

01 Environmental management: Oversight and regulation of air, water, and soil quality.

02 Environmental education: Programs aimed at raising awareness and providing training for the community.

03 Ecosystem conservation: Initiatives aimed at safeguarding protected areas and biodiversity.

04 Technical guidance: Assistance for sustainable development initiatives within the department.

FEATURED INITIATIVES

Reforestation initiative in the Magdalena River basin:

Initiative to restore degraded areas and enhance biodiversity.

Environmental education initiatives in educational institutions:

Educating students on conservation and sustainability matters.

Air quality assessment:

Implementation of technologies to assess and enhance air quality in urban environments.

Convention on Biological Diversity

1RXXTGJFH8

Ref.: SCBD/SBI 5/CP COP-MOP 11/NP COP-MOP 5/COP 16

TO WHOM IT MAY CONCERN

Reference is made to the following meetings, which are being hosted by the Government of Colombia, and organized by the Secretariat of the Convention on Biological Diversity, administered by the United Nations Environment Programme, in Cali, Colombia:

16-18 October 2024	Fifth meeting of the Subsidiary Body on Implementation (SBI 5)
21 October to 1 November 2024	Sixteenth meeting of the Conference of the Parties to the Convention on Biological Diversity (COP 16) Eleventh meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety (COP-MOP 11, Cartagena Protocol) Fifth meeting of the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol on Access and Benefit-sharing (COP-MOP 5, Nagoya Protocol)

This is to confirm that the person mentioned below is duly nominated and accredited to participate in the above-mentioned meetings.

Mr. Jairo Antonio Ceballos Sandoval (Passport number: AY033252)
Ally
CATARUBEN
Cataruben Foundation
Yopal, Colombia

Accordingly, the Secretariat of the Convention on Biological Diversity would highly appreciate any assistance that could be provided to the nominee in expediting and securing an entry visa to Colombia to allow participation in the meetings.

The Secretariat of the Convention on Biological Diversity avails itself of this opportunity to renew the assurances of its highest consideration.
