FORUM-WHAT ARE YOU DOING TO HELP THE NATURE
Dear learner
Taking into account the text What are you doing to help the nature? you are going to answer the following questions in the platform Territorium. You have to go to "Foro", then What are you doing to help the nature? and you have to reply the following questions:
What are you doing to help the nature?
What kind of actions do people do for taking care the nature?
Plan a Green proposal where many people are going to participate. You have to make a timetable where you are going to organize the Project.
Explain in your own words every single activity of the project.
After posting your forum, you have to move on, at least one of your friend's, and comment on it.

1- What are you doing to help the nature ?
R/ I try to eat less meat and more vegetarian food ,also I worry of not to litter on the streets .
2 - What kind of actions do people do for taking care the nature ?
R/ The peoples who really help the planet ,they take seriously the recycling , don't use so much plastic and pollute much less.
3- Plan a Green proposal where many people are going to participate. You have to make a timetable where you are going to organize the Project.
R/
Name of project : more awareness less plastic .
1. Spread the proposal
2. Socialize ideas
3.Explain alternatives to plastic and the ways to reduce its use.
4.Explain the demage it does to the planet .
5. Awareness of the importance of this actions for the planet and for us .

LET'S TALK
Based on the quote read above, answer these four questions.
Do you agree with this quote? Why or why not?
Have you seen manifested the solidarity in the middle of this difficult healthcare crisis?
Do you think people used to practice solidarity before the virus spread-out?
After this situation (Covid 19), do you think that things are going to be better than they used to be? Why, why not?
