Fill in the Gaps with "a", "an", or "the"

Every day, I walk to a park near my house. There is a big fountain in the middle of the park, and people like to sit around it. I always bring a book to read because it is a quiet place. Sometimes, I see a man walking a dog, or a group of children playing games. There is also a café at an entrance of the park. I often stop there to buy a coffee or an sandwich. After that, I walk around an lake and enjoy an view. It is a nice way to relax before I go home.
