FIRMA AUTORIZADA

Modificación unilateral de la vigencia por duplicidad de amparos: Con el fin de evitar duplicidad de amparos, en aquellos eventos en que la aseguradora llegara a evidenciar que existe otra póliza vigente, ésta procederá a modificar la vigencia de la (segunda) póliza expedida (expedida con posterioridad), iniciando la vigencia de la misma a partir del vencimiento de la póliza que ya se encuentra registrada en el RUNT.

Señor usuario tenga en cuenta las siguientes recomendaciones:

•Recuerde portar siempre su SOAT, las autoridades de tránsito se lo pueden solicitar en cualquier momento.
•Recuerde validar que su póliza está registrada en el RUNT.
•Esté atento al momento en que deba renovar su póliza. No tener SOAT vigente acarrea multas económicas, la detención del vehículo y en caso de accidente de tránsito el cobro por todos los costos de la atención de las víctimas del accidente.

En caso de accidente de tránsito:

•Si alguien resulta herido, debe ser atendido por el prestador de servicios de salud más cercano al lugar del accidente siempre que tenga la capacidad para brindar la atención requerida por las víctimas.
•Ningún prestador de servicios de salud del país puede negarse a atender víctimas de accidentes de tránsito (artículo 195 Decreto Ley 663 de 1993). En caso contrario, denuncie ante la Superintendencia Nacional de Salud.
•Para los gastos médicos, el cobro ante la aseguradora o el Fosyga lo debe realizar la institución prestadora de servicios de salud.
