Once the ingredients have been purchsed, the preparation of the special récipe is proposed as follows .
1. Wash the patatas and peel them.
2. Season the patatas with salt and pepper and mix. Grate and mash the patatas.
3. Heat the bottom of a frying pan with the olive oil for two minutes and pour the crushed and seasoned patatas.
4. Boil the wáter in which you pour the eggs for five minutes.
5. Cut the avocados in half and remove the pits
6. Distribute the tortillas two on two plates and add the avocados on top.
The shopping is finished, Cristian goes to prepare his special récipe for his wife Nubis birthday, since he wants to give her a special surprise.

Hello teacher, good evening.
I have a question about when the course ends. The dates listed in the activities are from the previous year.
