

Apartir del Arbol de problemas que se presenta acontinuacion, desarrolle las causas y consecuencias de un problema y expongalo:

El árbol de problemas

PROPONGA UNA POSIBLE SOLUCION AL PROBLEMA ANTERIORMENTE PLANTEADO

Google search results for "árbol de problemas". The search bar shows the query: `google.com/search?q=árbol+de+problemas&safe=active&xsrf=ACYBGNS5focsr8Rt3aGleGDXLF2EOKqw:1569617542703&tbm=isch&source=iu&ictx=1&fir=7iT9PW0...`

The results display several images of problem trees. A large, detailed image on the right shows a tree structure with the following components:

- Problema «central»**: The central node of the tree.
- Efectos y consecuencias del problema**: The top canopy of the tree, representing the outcomes of the problem.
- Causas del Problema**: The roots of the tree, representing the underlying causes.

Below the main image, there is a section titled "La Caja de las Habilidades: El árbol de problemas" by MyAdriapolis. It includes a small thumbnail of the tree and a link to "Ver más".

The Windows taskbar at the bottom shows the system clock as 4:51 p.m. on 27/09/2019.
