de JORGE ALBERTO RINCON RODRIGUEZ - viernes, 8 de agosto de 2025, 12:10
Hello everyone!
This space is designed for you to share your doubts, questions, or concerns about the course topics. The idea is that we can learn together, support each other, and strengthen our knowledge in EDW.
How to participate? If you have a question, post it clearly and in detail.
If you can help a classmate, don't hesitate to reply.
If your question is related to a specific course topic, mention the corresponding module or unit.
Always maintain a respectful and collaborative tone.
Remember: There are no "bad" questions. Every doubt is valid and can help others!
I'm here to guide you, so I'll be checking the forum and answering your questions as soon as possible.
Wishing you success in the course!
