- Infinitē 6A UTP system is developed to comply with Augmented Category 6 industry standards (ANSI/TIA/EIA 568C and ISO/IEC 11801:2002 Class EA Amendment)
- Supports high speed data transmission such as 10G Base-T
- Offers superior headroom to TIA and ISO Category 6A requirements
- Cable is tested from 1 to 660MHz and made in Hitachi Cable Manchester of U.S.A.
- Infinitē 6A UTP system includes cable, patch panel, patch cord, jack, faceplate and cable management panel.

HCM Hitachi Cable Manchester

Cat 6A U/UTP Cable

Order no.	Description
IN6A-101-XX	Cat 6A 4-Pair CMR rated U/UTP Cable
IN6A-102-XX	Cat 6A 4-Pair CMP rated U/UTP Cable
IN6A-103-XX	Cat 6A 4-Pair LSZH U/UTP Cable
XX = Color Code (WH = White, GR = Grey, BL = Blue, etc.)	

Cat 6A Blank Patch Panel

Order no.	Description
IN6A-211	Cat 6A 24 Port Blank Patch Panel 1U with rear cable management tray

Cat 6A U/UTP Patch Cord

Order no.	Description
IN6A-301-XX	Cat 6A U/UTP Patch Cord, 1m
IN6A-302-XX	Cat 6A U/UTP Patch Cord, 2m
IN6A-303-XX	Cat 6A U/UTP Patch Cord, 3m
IN6A-304-XX	Cat 6A U/UTP Patch Cord, 4m
IN6A-305-XX	Cat 6A U/UTP Patch Cord, 5m
XX = Color Code (WH = White, GR = Grey, BL = Blue, etc.)	

Cable Management Panel

Order no.	Description
CMP-001	Cable Management Panel 1U, Plastic
CMP-002	Cable Management Panel 1U, Metal

Cat 6A U/UTP Keystone Jack

Order no.	Description
IN6A-401-WH	Cat 6A U/UTP Keystone Jack

Faceplate (86x86mm Type)

Order no.	Description
FP-201	86x86mm E-series Faceplate 1 Port
FP-202	86x86mm E-series Faceplate 2 Port
