The top screenshot shows a Google Meet session with a presentation slide titled "DESCRIPCION DEL PROCESO PRODUCTIVO". The slide contains text defining the production process and listing factors like technology, labor, and capital. An illustration of a person working at a table is also present. The bottom screenshot shows a Google Meet session with a presentation slide titled "Diagrama de flujo de elaboración de queso tipo Panela". The slide contains a flowchart diagram illustrating the steps of the cheese-making process, from raw milk to the final product. Both screenshots show the Google Meet interface with a list of participants on the right and a search bar at the bottom.

Principios de HACCP y Codex Alimentarius

Es importante indicar que toda industria alimentaria antes de trabajar en la implementación de un sistema HACCP, obligatoriamente tiene que tener implementado las BPM.

Las BPM disminuyen los riesgos de inocuidad del producto asociadas al control con las BPM.
