COPY TO SMOITH TIA

1. The first part of the document is a list of names and dates, which appears to be a roster or a list of events. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into columns, with names in the first column and dates in the second column.

2. The second part of the document is a series of handwritten notes or entries. These notes are written in a cursive script and are organized into a list format. Each entry appears to be a separate item, possibly a task or a record. The notes are written on a piece of paper that has some horizontal lines, but the handwriting is somewhat messy and difficult to read.

3. The third part of the document is a series of handwritten notes or entries, similar to the second part. These notes are also written in a cursive script and are organized into a list format. The handwriting is somewhat messy and difficult to read, but the structure is similar to the second part.

4. The fourth part of the document is a series of handwritten notes or entries, similar to the previous parts. These notes are also written in a cursive script and are organized into a list format. The handwriting is somewhat messy and difficult to read, but the structure is similar to the previous parts.

5. The fifth part of the document is a series of handwritten notes or entries, similar to the previous parts. These notes are also written in a cursive script and are organized into a list format. The handwriting is somewhat messy and difficult to read, but the structure is similar to the previous parts.
