

A screenshot of a WhatsApp web interface on a desktop browser. The top bar shows several open tabs: Gmail, Recibidos (58), AVANCES DE C, Recibidos (58), 22 DE AGOSTO, (52) WhatsApp, and (6267 n.º de n...). The address bar displays "web.whatsapp.com". On the left sidebar, there's a profile picture of a group and a back arrow labeled "APRENDI". Below this is a "CHATS" section listing several chats: "Aprendices Caldas" (7:39 a.m.), "Aprendices pesca" (7:20 a.m.), "Aprendices Sotaquira" (7:20 a.m.), "Aprendices Siachoque" (7:38 a.m.), "Aprendices Firavitoba" (7:20 a.m.), and "Aprendiz Sotaquira" (29/7/2020). The main chat area is titled "Aprendices Firavitoba" and shows a conversation with multiple participants listed below the title. A green message bubble contains text about controlling mastitis and a link to a YouTube video. Below the text is a YouTube video player showing a blurry image of a cow. The bottom status bar shows various application icons like Word, Excel, PowerPoint, Edge, Chrome, Firefox, Teams, and OneDrive, along with the system clock indicating 01:41 p.m. on 14/09/2020.
