|--------------|--|---------------|-------------|----------------|------------------|----------------|----------------|------------------|--------------|------------------|---|
| Project A    | Construction of a new building               | 2023-01-01    | 2023-12-31  | Completed      | John Doe         | 10000000       | 10000000       | 0                | Low          | New York         | Completed on time and within budget.          |
| Project B    | Software development for a new system        | 2023-02-01    | 2023-11-30  | In Progress    | Jane Smith       | 5000000        | 4500000        | -500000          | Medium       | California       | Progressing well, minor delays.               |
| Project C    | Marketing campaign for a new product         | 2023-03-01    | 2023-10-31  | Completed      | Mike Johnson     | 2000000        | 2000000        | 0                | Low          | Florida          | Successful campaign, exceeded goals.          |
| Project D    | Research and development of a new technology | 2023-04-01    | 2024-03-31  | On Hold        | Sarah Lee        | 8000000        | 0              | -8000000         | High         | Illinois         | Project paused due to budget constraints.     |
| Project E    | Infrastructure upgrade for a city            | 2023-05-01    | 2024-06-30  | Planned        | David Kim        | 15000000       | 0              | -15000000        | Medium       | Texas            | Initial planning and site selection.          |
| Project F    | Human resources expansion                    | 2023-06-01    | 2023-12-31  | In Progress    | Emily White      | 3000000        | 2500000        | -500000          | Low          | Washington       | Recruitment and training underway.            |
| Project G    | Legal and compliance review                  | 2023-07-01    | 2023-09-30  | Completed      | Robert Brown     | 1000000        | 1000000        | 0                | Low          | Arizona          | Review completed, all issues resolved.        |
| Project H    | Customer service improvement                 | 2023-08-01    | 2023-11-30  | In Progress    | Laura Green      | 4000000        | 3500000        | -500000          | Medium       | Colorado         | Implementing new service protocols.           |
| Project I    | IT system migration                          | 2023-09-01    | 2024-02-28  | Planned        | Kevin Black      | 6000000        | 0              | -6000000         | High         | Georgia          | Migration plan in development.                |
| Project J    | Supply chain optimization                    | 2023-10-01    | 2024-01-31  | Planned        | Amanda Gray      | 2500000        | 0              | -2500000         | Medium       | North Carolina   | Identifying opportunities for cost savings.   |
| Project K    | Product launch preparation                   | 2023-11-01    | 2024-04-30  | Planned        | Christopher Blue | 7000000        | 0              | -7000000         | Medium       | South Carolina   | Finalizing product specifications.            |
| Project L    | Facility relocation                          | 2023-12-01    | 2024-03-31  | Planned        | Michelle Red     | 9000000        | 0              | -9000000         | High         | Virginia         | Site selection and lease negotiations.        |
| Project M    | Brand repositioning                          | 2024-01-01    | 2024-06-30  | Planned        | Daniel Purple    | 3500000        | 0              | -3500000         | Medium       | Michigan         | Developing new brand identity.                |
| Project N    | Operational efficiency review                | 2024-02-01    | 2024-05-31  | Planned        | Stephanie Orange | 1500000        | 0              | -1500000         | Low          | Minnesota        | Reviewing current processes for improvements. |
| Project O    | Partnership development                      | 2024-03-01    | 2024-09-30  | Planned        | Jonathan Yellow  | 4500000        | 0              | -4500000         | Medium       | Wisconsin        | Identifying potential strategic partners.     |
| Project P    | Customer loyalty program                     | 2024-04-01    | 2024-12-31  | Planned        | Karen Pink       | 2000000        | 0              | -2000000         | Low          | Indiana          | Designing program structure and rewards.      |
| Project Q    | Supply chain diversification                 | 2024-05-01    | 2024-11-30  | Planned        | Mark Green       | 3000000        | 0              | -3000000         | Medium       | Ohio             | Evaluating alternative suppliers.             |
| Project R    | Product line extension                       | 2024-06-01    | 2024-10-31  | Planned        | Patricia Blue    | 5500000        | 0              | -5500000         | Medium       | Missouri         | Market research and development.              |
| Project S    | Operational cost reduction                   | 2024-07-01    | 2024-12-31  | Planned        | Richard Red      | 1800000        | 0              | -1800000         | Low          | Illinois         | Identifying areas for cost savings.           |
| Project T    | Customer experience enhancement              | 2024-08-01    | 2025-03-31  | Planned        | Susan Purple     | 4000000        | 0              | -4000000         | Medium       | Alabama          | Implementing new digital touchpoints.         |
| Project U    | Supply chain resilience                      | 2024-09-01    | 2025-06-30  | Planned        | Thomas Orange    | 6500000        | 0              | -6500000         | High         | Kentucky         | Developing contingency plans.                 |
| Project V    | Product innovation                           | 2024-10-01    | 2025-09-30  | Planned        | Victoria Yellow  | 8500000        | 0              | -8500000         | High         | West Virginia    | Exploring new market opportunities.           |
| Project W    | Operational excellence                       | 2024-11-01    | 2025-04-30  | Planned        | William Pink     | 2200000        | 0              | -2200000         | Low          | Delaware         | Streamlining operations and processes.        |
| Project X    | Customer retention strategy                  | 2024-12-01    | 2025-07-31  | Planned        | Xavier Green     | 3800000        | 0              | -3800000         | Medium       | Nebraska         | Developing targeted retention programs.       |
| Project Y    | Supply chain digitization                    | 2025-01-01    | 2025-12-31  | Planned        | Yvonne Blue      | 7500000        | 0              | -7500000         | High         | Oklahoma         | Implementing digital supply chain tools.      |
| Project Z    | Product lifecycle management                 | 2025-02-01    | 2026-01-31  | Planned        | Zachary Red      | 5000000        | 0              | -5000000         | Medium       | Idaho            | Optimizing product development process.       |
| Project AA   | Operational risk management                  | 2025-03-01    | 2025-11-30  | Planned        | Alicia Purple    | 1200000        | 0              | -1200000         | Low          | Montana          | Identifying and mitigating operational risks. |
| Project AB   | Customer engagement strategy                 | 2025-04-01    | 2025-10-31  | Planned        | Brian Orange     | 3200000        | 0              | -3200000         | Medium       | Wyoming          | Developing multi-channel engagement.          |
| Project AC   | Supply chain sustainability                  | 2025-05-01    | 2026-04-30  | Planned        | Chloe Yellow     | 6000000        | 0              | -6000000         | High         | Utah             | Implementing sustainable sourcing practices.  |
