Cordial saludo,

Muy amablemente nos dirigimos a ustedes para solicitar una adición en el plazo de entrega para servicio de mantenimiento para equipo LPKF correspondientes al contrato No. CO1.PCCNTR.8508379, cuyo objeto es "*PRESTAR SERVICIOS DE MANTENIMIENTO DE EQUIPOS Y MAQUINARIA DEL TECNOPARQUE NODO NEIVA – CENTRO DE LA INDUSTRIA, LA EMPRESA Y LOS SERVICIOS DEL SENA REGIONAL HUILA"*, esto debido a que nuestro proveedor ha presentado demoras en la disponibilidad de los insumos y herramientas necesarias para la prestación del servicio.

El 3 de noviembre una vez legalizado el contrato en SECOP, Edasim oportunamente ingresa el pedido a casa matriz para posterior trámite con el proveedor LPKF, donde ingresa al proceso de confirmación de orden y posterior asignación de disponibilidad de despacho.

El 13 de noviembre se recibe confirmación de la orden esperando próximo despacho. Solo hasta el 19 de Noviembre y cruzando con festivos es nuestra casa matriz de Brasil, recibimos hoy, 24 de noviembre la información que solo tendríamos disponibilidad de los materiales el 8 de diciembre. Siendo necesaria una semana (por motivos de alto movimiento de importaciones en diciembre) para realizar todo el proceso de transporte.

Con base en lo anterior, solicitamos amablemente sea considerada una adición en el plazo de entrega hasta el 15 de diciembre para brindar un tiempo suficiente para importación de los elementos y ejecución del mantenimiento en sitio.

Con base en lo anterior, enviamos el plan de entrega del servicio:
